“REALISM IN ART”

April 26 – June 15, 2008

Reception: Sunday, April 27; 2:00-5:00 PM

“Why talk when you can paint?” Milton Avery

Painting is the way I communicate what is important. I often want to stop those around me and say “Look at that! Isn’t that beautiful!”

During the ascent of Photo Realism, I was fortunate to assist one of the movement’s leaders. Today my work continues to explore form, color and composition. The basic tenets of realism continue to challenge and invigorate me.

En Plein Air painting is my newest frontier and is broadening my artistic voice. This outdoor painting technique captures fleeting moments of light and color using oils, and is completed in a short period of time.
