Rodee Hansen

“ECLECTICA”

June 28, 2010 – July 24, 2010

Reception: Saturday, July 10; 2:00-4:30 PM

Rodee Hansen resides in Northport, and has exhibited her works all over Long Island. Water color is her medium of choice, but she extends her talents beyond water colors. She has painted on fabrics and silks, and created thread paintings. Her repertoire also includes acrylics, painting with linoleum cuts and mono print making. She enjoys collage work, inks (Sumi-E), Gytaku (Japanese fish impressions), pastels and photography.

Rodee has designed and created hand-crafted pressed flower greeting cards. Many of the petals and leaves were grown in her own vegetable and flower gardens. Her favorite artists include Andrew Wyeth, Marc Chagall, and Dale Chihuly, and her art reflects their influence. Rodee allows herself the freedom to change style and medium in each piece she works on.

Her art work has been exhibited in various venues on Long Island, both juried and non-juried. Rodee has exhibited at the Bethpage State Park, Hofstra University, Do-Art exhibits at the Northport Historical Museum, the Art League

of Long Island, at Public Libraries, and at Nassau County Fairs. Several of her paintings hang in homes on Long Island, and in Virginia, Pennsylvania and Vermont.
